

Welcome to Christmas Club!

Team:

Web3 enthusiasts,
technologists, and avid
learners

Carlos Pires

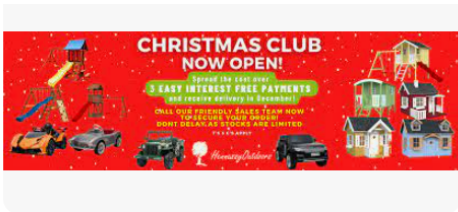

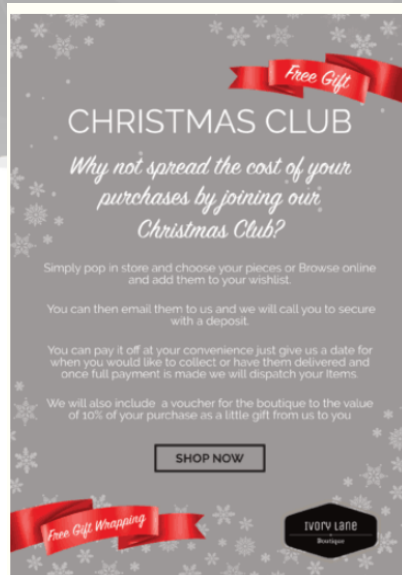

Conor D'Arcy

What is Christmas Club?

Save in advance for Christmas expenditures, then you don't have expenses all at once in December. Now on-chain & trustless.

Tech

Solidity:

Main contract, 2 helper contracts

DApp:

Nextjs, React, Wagmi, zod,
ConnectKit, ethers, dotenv

If time...

Partnerships:

Employers (attraction / retention)

Retail Groups (coupon incentive)

Credit Unions / Local Bodies (cohesion)

Chains (users & TVL)

How to use

Save in any/every month up to December, then withdraw your savings in December.

STEP 1

Set a goal

STEP 2

Deposit once...

STEP 3

...or many times

STEP 4

Retrieve your funds

Merry

Christmas!

Now for a demo!
